HEARTPRINTS MONTESSORI

HEARTPRINTS TUITION NOTICE

Effective January 1, 2024

It has been a wonderful privilege to care for your child here at Heartprints Montessori! In order to continue to provide quality care for your child and keep up with market demands, **we will be increasing our tuition by 5%**.

As we are all aware of the economic situation over the last few years, we have done all we can to minimize the frequency of tuition increases for our families. External factors, including an increase in our overhead costs, estimated inflation rates, and the state-mandated increase in wage standards starting next year, require we enact a mid-school-year rate increase.

We understand many of our families are also experiencing the weight of the economic situation as well and want to be mindful of personal budget restrictions. **If you need to adjust your child's schedule for the new calendar year, please reach out to Cat in the office by December 1, 2023 to make any adjustments** (please note requests in schedule changes are based on available space in each classroom).

This is our 30+ day notice to families that our tuition rates will be increased & updated effective January 1, 2024.

Key Components of Increase

- All tuition rates will be raised by 5%
- Before & After Care will be raised to \$8 per hour

Before and After School Care:

Please let us know if your child will consistently be attending Before and/or After School Care and what times. Before and After School Care will be charged for care provided for a child outside of a half or full school day. Billing for after care will be added retroactively to the following month's bill. There is a 15 minute grace period for drop-off and pick-up before charges accrue.

Before Care 6:00am-8:30am / After Care 3:30pm-6:00pm

\$8 per hour

Late Pick-Up Charge:

Heartprints is closed at 6:00pm. If a child is not picked up by that time, a \$20 flat fee PLUS \$1 per minute will be charged to the child's account on the following month's bill.
